XS-60AC Single end chamfering machine

1. This machine can perform chamfering and shaving at the inner and outer angles of the tube and the end face of the bar, which is fast and accurate.

2. In order to ensure the accuracy of the center line of the processed object and the cutter plate, the clamping die and the cutter plate are precisely designed to finish the processed object evenly at one time.

3. Special design of cutter disc, standardization of blade, simple and quick adjustment of tool.

4. Manual feeding, automatic hogging, automatic back-and-forth knife, fast speed, increase output.

5. Semi-automatic mechanical type has two stages of speed: the first stage is fast speed to save working time, and the second stage can adjust the chamfering speed of cutting to finish the smooth finished surface.

6. Change the workpiece of different sizes, just need to make a simple knife plate and change clamping die adjustment.

Suitable for steel pipe, iron pipe, aluminum pipe, copper pipe, stainless steel, rod material, PVC pipe, round rod and nylon pipe

Equipment parameters:

project	60AC
Suitable for pipe diameter	Φ4-60mm
Suitable for round bar	Φ2-22mm
The workpiece length	≥35mm
The motor power	1.5KW
Barometric pressure	6-8KG/CM^2
The machining accuracy	±0.1mm
Processing speed	3-5秒/件
Machine size	900*1190*1300
Machine weight	300KG

Listing:

Serial number	Name	Specifications	Quantity	Remarks
1	mainframe		1/Set	
2	Allen Key Set	3-14	1/Set	
3	Operating instruction		1/Copy	Random file
4	Certificate		1/Piece	Random

	of approval			file

After-sales service:

1.Warranty period: We guarantee machine quality for one year, during this year, if spare parts of the machine were damaged, we can send the component to the customer by DHL, TNT freely.

2.Our factory can send our engineer to the customer’s factory install, commission and training freely. The customer provide the double trip tickets, food and accommodation for our engineer. The customer also can send the engineer to our factory to learn the operation and maintains freely.

3.Our factory provide the service for the customer forever, if the customer need operation help, can contact us by Skype, Email and Telephone at any time, we provide 24 hours on-line service
