350 Double - head hydraulic automatic cutting machine

Performance characteristics:

1.Equipped with automatic feed, automatic clamping device, running smoothly, light and high efficiency

2.Bidirectional clamps to keep the workpiece stable and smooth without burrs, low noise and low pollution.

3.The cutting precision is high, the speed is fast, and the cutting surface is not hot.

4.The cutting accuracy is high and the incision is perfect.

5.The head of the machine adopts the method of vertical knife-cutting.

6.With no material automatic stop, saw blade protection function, automatic lubricating cooling function.

The machine is a kind of hydraulic automatic metal cutting saw machine, can cutting a variety of cross-section shape of ordinary steel, stainless steel, copper, aluminum and other metal profiles, especially in cutting all kinds of pipe is most ideal. Tube is steel pipe furniture, industry, sports equipment, tourism and leisure supplies, automobile, motorcycle, bicycle, baby carrier decoration, stainless steel, wrought iron decoration production, machinery processing and other industries, the best equipment for mass production.

MC-350 parameters：

project	Unit	350 Hydraulic automatic
Saw blade Angle	°	90°/45°
◎	mm	Φ100
□	mm	100*100
⌞	mm	100*100
▭	mm	100*110
●	mm	75
■	mm	75*75
The host power	KW	3.3/4.0
Spindle speed	RPM	120/60 r/min
Cooling water pump	W	90

Machine Weight	KG	950
Machine size	mm	900*1200*1650
Apply saw blade ø	mm	275/300/315/350/400
Work beat	Seconds/root	10

After-sales service:

1.Warranty period: We guarantee machine quality for one year, during this year, if spare parts of the machine were damaged, we can send the component to the customer by DHL, TNT freely.

2.Our factory can send our engineer to the customer's factory install, commission and training freely. The customer provide the double trip tickets, food and accommodation for our engineer. The customer also can send the engineer to our factory to learn the operation and maintains freely.

3.Our factory provide the service for the customer forever, if the customer need operation help, can contact us by Skype,Whatsapp,WeChat, Email and Telephone at any time, we provide 24 hours on-line service.
